Small cakes	Organic cheese on toast with tomatoes and cucumber. Sweet dessert.	A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes. Small cakes

Sun Cream...summer shoes and hats!

Now that the weather is becoming warmer they children will need to bring a **named tube of factor 50 sun cream** into nursery for the staff to apply throughout the day. Please would you apply sun cream to you child before you drop them off to nursery, and we will apply it regularly throughout the day.

All the nursery children will need a **named summer hat** to wear in nursery, please.

The safety of the children is our top priority. **We do not allow children to come into nursery who are wearing 'croc's' or open toed summer sandals.**

This is because the children are very active in the garden especially during the summer months, climbing, running, jumping etc and need to be wearing shoes that fit securely around their feet.

Nursery Student

We have a student working in Treetops Room until September. Her name is Holly and she is studying for NVQ Level 3.

First Aid

We aim to have all staff at the Nursery holding up to date Paediatric First Aid qualifications.

We are pleased to confirm that all the Nursery staff have completed the course in Paediatric First Aid and now have up to date training which is in date for three years. This means that everyone will be confident to administer first aid.

First Aid qualification for parents

We thought that parents/carers of the children at the nursery might also be interested in undertaking the basic paediatric first aid course. This covers all basic first aid including choking, resuscitation, and treatment of burns, shock etc.

The course runs for 10 hours in total set over two days. We would be happy to host the course at the nursery (probably over two Saturdays) although individuals would need to pay for their own training (about £60). If you are interested in undertaking this qualification please speak to Sarah or Anneli. The numbers would be limited so we would work on a first come, first serve basis.

Temporary nursery space

We have a family with two children in Nursery who are relocating to South Africa for six months. We would like to hold their places open if we can.

Both children come to nursery full time (Monday - Friday) and are leaving Nursery in October 2010 and are returning in April 2011.

If you would like to take any of the spaces made available for your child/children for six months please speak to either Sarah or Anneli.

Website gallery update

The website image galleries have just been updated to include photographs of the children and their activities over the past few months. Please visit the Image gallery here: http://www.thenurseryonthegreen.co.uk/imagegallery_a.php

Enjoy the sunshine this weekend!

Best wishes from Sarah, Anneli and all the nursery staff.
