A selection of filled sandwiches with crudité's of cucumber, cheese and tomatoes. Small cakes

This has been a very exciting week at the nursery!

### Welcome to new staff members

**Hayley McCrossen** joined our Sunshine Room (Pre-school) this week and has already become a big hit with the children. She enjoys interacting with the children in all activities and is particularly fond of our lovely garden.

**Laura Joynes** our new dance and drama teacher also joined us again this week and gave the children a wonderful time. Encouraging them to move with control and imagination is great fun for the children and lovely to watch. If you would like to observe or even join your child during one of Laura's classes she will be in the nursery garden at 4pm every Wednesday.

## *'Friday Flyer'*

### Trips

Children in the Treetops Room will be visiting Woolwich Town Hall for a singing/story time on Thursday 11<sup>th</sup> June. It is to celebrate the 20<sup>th</sup> Anniversary of the Elmer stories and will be a wonderful experience for the children. More information will follow by email to all of the parents involved.

### Further Developments to our Garden

**We are having new stepping stones installed in our garden on Friday 12<sup>th</sup> June.** This will offer even more challenges for the children and is very exciting.

### Shoe Reminder/Clothing

**Please remember we do not allow cros or flip-flops to be worn in our nursery.** Some children are still wearing these shoes which we feel are unsuitable for our nursery. Our children are very active throughout the day particularly now that the summer is here and we have all of the climbing equipment and trips to the park. Therefore please make sure that your child wears the appropriate footwear. Could you also provide warm or waterproof jackets as the weather is so changeable at the moment and our spare clothing is limited.

### Discussion forum/message board

**Please do not forget about our new discussion forum.** This is now up and running. We have started a couple of discussions and would love to hear your views/opinions. Please log on and have a look. You need to register first and then contribute in the usual way. We hope that the discussion forum will be another way for you to contribute to the development of the nursery and the community here.

**Visit the message board here:**
