Sunshine Room

The children have enjoyed pond dipping and looking for bugs in the park. They are very excited about the letter bags and have been looking for objects to go into their bags and sharing them with the group. Thank you for your support and helping your child find suitable objects or pictures.

Treetops Room

The children had a wonderful time at Shooters Hill Farm. They enjoyed the bus ride and seeing all of the animals and will do lots of lovely work about their trip.

Rainbow Room

The babies have been out walking in the park, looking at the animals and enjoying the sunshine. They have been doing lots of sensory play and painting and exploring their world.

Parent Questionnaire

We hope that you found the feedback from the parent questionnaire informative. It is a very interesting and useful exercise and we have enjoyed reading all of your comments. You will also receive information that directly relates to the comments that you have made and, the Nursery Development Plan. You will see that many of your comments are already being addressed. Anneli and Sarah are constantly aware of issues that arise within the nursery and make the necessary alterations. However, it is very useful for us to learn about the running of the nursery from the parent's perspective.

Have a wonderful weekend.
Best wishes Sarah, Anneli and all the nursery staff.
