A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes

The Nursery on the Green

'Friday Flyer'

Rainbow Room

We would like to welcome Scarlett to the nursery. She has settled extremely well into her new environment and we look forward to spending lots of time with her. The children will be visiting the park and going to the library next week for the 'rhyme time' session.

Treetops Room

The children have enjoyed taking home and looking after 'Patch' the dog and writing in his diary about his weekend. They are very interested to look at the photographs and read each story as they happen. Thank you to all parents that make an enormous effort to support their child with this activity. It helps the children to take 'ownership' of a precious object and feel a big part of the nursery.

Sunshine Room

The children have been reading the story 'The Night Pirates' and have been writing about their adventures, and used the wood and woodwork tools to make their own boats. They will have a great time in the park floating their boats on the pond and having boat races in the nursery. The children will also be doing lots of mark making using a wide range of tools and materials to support their writing development and working with clay.

Fathers Day

The children have been working very hard on their gifts for Father's Day. We hope you like them and you all enjoy your special day.

We wish you all a very nice weekend.

Best wishes Sarah, Anneli and all the nursery staff.
